

## ***Cancellation Policy***

Your appointments are very important to **SandDancer Canine Swim Therapy & Fitness** and we have reserved your spot especially for you and your dog. While we understand that sometimes schedule adjustments are necessary, we respectfully request at least a 24-hour notice for cancellations.

Any cancellations within less than a 24-hour period and/or “no shows” will be subject to a **\$25.00 charge**.

The cancellation policy gives us the time to inform our standby clients of any availability, thus allowing us to continue to provide the best quality of service for our established and future clientele. We appreciate your understand and support.
